

What Katie ate...

SALTED COFFEE + COCONUT GELATO AFFOGATO

YOU WILL NEED

400g tin coconut milk

250ml freshly brewed strong coffee

600ml water

600g sugar

7g salt

Freshly brewed espresso coffee, to serve

—

MAKES APPROX. 15 SERVINGS

Gently heat the water and sugar until the sugar is all dissolved.

Add the coconut milk, salt and coffee. Stir until the coconut fat has melted.

Add to your ice cream machine and churn.

Serve in glasses with a small jug of freshly brewed espresso coffee.

When ready to eat, pour hot coffee over ice cream.
